

BurstFactory::privRecycle
Burst

```
graph LR; A[BurstFactory::privRecycle<br/>Burst] --> B[BurstMemoryPool::returnBurst]
```

A diagram showing a call from BurstFactory::privRecycle to BurstMemoryPool::returnBurst. The first box is gray and contains the text 'BurstFactory::privRecycle' and 'Burst'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white and contains the text 'BurstMemoryPool::returnBurst'.

BurstMemoryPool::returnBurst
