

ParticleFactory::CreateParticle

```
graph LR; A[ParticleFactory::CreateParticle] --> B[ParticleFactory::privCreateParticle];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'ParticleFactory::CreateParticle'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'ParticleFactory::privCreateParticle' on two lines.
