```

The diagram illustrates a dependency or relationship between three code elements. On the left, two white rectangular boxes are stacked vertically. The top box contains the text 'SlyMath::OBBOverlap' and the bottom box contains 'SlyMath::OBBProjectionLength'. On the right, a gray rectangular box contains the text 'CollisionVolumeAABB' on the top line and '::GetCenter' on the bottom line. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating that both 'SlyMath::OBBOverlap' and 'SlyMath::OBBProjectionLength' are associated with or depend on 'CollisionVolumeAABB::GetCenter'.
